

A porcelana da Costa Verde foi especialmente estudada e desenvolvida para o sector da restauração e hotelaria. Os produtos de hotelaria da Costa Verde reúnem as características específicas e necessárias para este sector, brancura, dureza, durabilidade e funcionalidade. Todos os nossos produtos são submetidos a múltiplos testes em laboratório, o que garante a sua utilização em contínuo sem deterioração. Em complemento devemos também assinalar a sua elevada resistência ao impacto mecânico, a sua baixa porosidade e a sua alta densidade, o que lhe confere propriedades reconhecidas no sector e confirmadas pela experiência no uso dos nossos produtos ao longo do tempo. Todos os nossos modelos, junto com as decorações disponíveis, traduzem a longa tradição no fabrico de porcelana em Portugal, suportada pela mais moderna e recente tecnologia. Seja qual for a sua escolha, está a garantir aos seus clientes um verdadeiro serviço Cinco Estrelas.

The Costa Verde hotel ware was especially studied and developed for the restaurant and hotel trade. The Costa Verde hotel ware congregates the specific and necessary characteristics for this trade, whiteness, hardness, durability and functionality. All of our products are submitted to multiple laboratory tests, which guarantee its daily use without deterioration. In complement we also refer the high mechanical resistance, low porosity and high density, that confers properties that guarantee day-to-day resistance endurance and quality. Our shapes, together with the different available patterns, transmit the long tradition of porcelain manufacturing in Portugal, supported by state-of-the-art technology. Regardless of the option you may choose, you will surely award your clients with a genuine Five Stars service.

Las porcelanas de Costa Verde están especialmente estudiadas y desarrolladas para su uso en restauración, hostelería y colectividades. Los productos de Costa Verde para hostelería reúnen las características específicas necesarias para su uso en dicho sector, brancura, dureza, durabilidad y funcionalidad. Todos nuestros productos han sido sometidos a múltiples tests en laboratorios de análisis tecnológicos que garantizan su uso continuado sin deterioro. Complementariamente también debe señalarse su elevada resistencia al impacto mecánico, su baja porosidad y su alta densidad que la confieren unas propiedades reconocidas en el sector y avaladas por la experiencia de uso de nuestros productos a lo largo del tiempo. Nuestras formas unidas a los diferentes decorados disponibles, reflejan la larga tradición en la manufactura de porcelana en Portugal, apoyada por las más modernas y sofisticadas tecnologías. Sea cual sea su elección, seguro que transmitirá a sus clientes la garantía de un servicio de Cinco Estrellas.
